Our restaurant is equal parts dining room and classroom. While our interns are working on providing thoughtful dishes with top-notch service, they're also learning that they can (and will) rise to whatever level of expectation is set for them. While enjoying the results of their hard work and determination, you're also sending them a message that you believe in them.

**Thank You** for helping to change the lives of our community's justice-involved youth.

CAFÉ  
MOMENTUM  
PITTSBURGH

Café Momentum Pittsburgh was brought to service in 2023, following our flagship location in Dallas, launched in 2015. Our restaurant is equal parts dining room and classroom: While our Interns are working on providing thoughtful dishes with top-notch service, they're also learning that they can (and will) rise to whatever level of expectation is set for them. While you're enjoying the results of their hard work and determination, you're also sending them a message that you believe in them.

Thank you for helping to change the lives of our community's most marginalized youth.
