SPONSORSHIP OPPORTUNITIES

DEAR PARTNERS:

One year ago, Café Momentum Atlanta opened its doors – and with it, a second chance for young people the system had already written off. In our first year, we've proven that when you invest in a young person's potential, they deliver.

Your sponsorship of **Momentum in Action on August 27, 2026** puts your organization at the center of that proof. This isn't a charity dinner – it's a celebration of measurable results, hosted by the young people who created them.

Café Momentum transforms justice-involved youth through paid culinary training, 24/7 case management, mental health services and high school education – all under one roof. **Our interns don't just learn to cook; they learn to lead.**

By partnering with us, your organization gains meaningful brand visibility, ESG-aligned community impact and direct access to a story worth telling. The enclosed tiers are designed to fit your goals, whether that means premier brand visibility in front of Atlanta's top community leaders or a meaningful presence at the table where change is happening.

We'd love to tell you more about what your investment will make possible. Please reach out to Saba Gebremedhin at saba@cafemomentumatl.org – we'll make it easy.

WITH GRATITUDE FROM 2026 EVENT CHAIRS

Jennifer & Curley Dossman
